"It with pleasure that I recommend Kristi as your next graphic/web designer. I have known and worked with Kristi for about 10 years. She has been the steady behind my web and media marketing tools. As a technician, artist and communicator, there is no one better than Kristi in her ability to listen, learn, keep up with, and translate your vision into very usable tools that are artful yet clean and focused. I would suggest you get to know her and her work. You won't be sorry."
